Re: Withdrawal of 2003 SIP Submittal of Env-A 900

Dear Administrator Spalding:

Pursuant to section 110 of the federal Clean Air Act as amended, the state of New Hampshire hereby withdraws the subject proposed State Implementation Plan (SIP) revision. As Governor John Lynch's designee, I am withdrawing **Env-A 900, Owner or Operator Recordkeeping and Reporting Obligations**, which was submitted on November 14, 2003.

Env-A 900 was readopted with amendments in 2007, and this newer version was submitted as a SIP revision on July 6, 2012. EPA and DES staff agree that it would be preferable for EPA to review the newer version rather than the 2003 submittal. Therefore, DES has agreed to withdraw the older version of Env-A 900.

Should you have any questions regarding this withdrawal, please contact Barbara L. Hoffman, SIP Planning Manager, at barbara.hoffman@des.nh.gov or (603) 271-7874. Thank you.

Sincerely,

Craig A. Wright
Acting Director
Air Resources Division
